About National University

National University, a veteran-founded nonprofit, has been dedicated to meeting the needs of hard-working adults by providing accessible, affordable, achievable higher education opportunities since 1971. As San Diego's largest private nonprofit university, NU offers over 190 online and on-site programs and four and eight-week classes designed to help students reach their goals while balancing busy lives. Since its founding, the NU community has grown to over 50,000 students and 230,000 alumni around the globe, many of whom serve in helping industries such as business, education, health care, cybersecurity, and law and criminal justice.

NU Supports the Whole You

Through our holistic, whole-human approach to education, we offer the academic, emotional, career, financial, and family support needed to reach your educational and professional goals.
