Network

WHAT IT IS

A network of educational partners offering **reduced tuition rates** and other **negotiated benefits** (such as free transfer credit evaluation and academic counseling) to participants of programs managed by ISTS.

HOW IT WORKS

ISTS works with each academic institution to negotiate the terms of the partnership, including the types of discounts available and discount amounts.

Students visit applyISTS.com/TuitionDiscounts for an up-to-date list of educational partners and links to school-specific landing pages.

From these pages, students can contact the college or university for more information and to request the discount.

The network consists of more than 50 academic institutions, including:

- Public universities
- Private colleges
- Vocational schools
- Non-profit institutions
- For-profit schools

ISTS actively seeks to establish partnerships with new institutions.
