# Network

# WHAT IT IS

A network of accredited educational partners offering **reduced tuition rates** and other **negotiated benefits** (such as free transfer credit evaluation and application fee waiver) to participants of programs managed by ISTS.

# HOW IT WORKS

ISTS works with each academic institution to negotiate the terms of the partnership, including the types of discounts available and discount amounts.

Participants visit [applyISTS.com/Tuition-Discount-Network](https://applyISTS.com/Tuition-Discount-Network) for an up-to-date list of educational partners and links to school-specific landing pages.

From these pages, participants can contact the college or university for more information and to request the discount.

**Questions?** E-mail [ClientSupport@applyISTS.com](mailto:ClientSupport@applyISTS.com).

The network consists of more than 70 academic institutions, including:

- Public universities
- Private colleges
- Vocational schools
- Non-profit institutions
- For-profit schools

ISTS actively seeks to establish partnerships with new institutions.
