

Maximize Your Military and Veteran Benefits

Tuesday, December 14th @ 12PM – 1PM EST – [Register Here](#)
@ 6PM – 7PM EST – [Register Here](#)

Learn how to maximize your military and veteran educational benefits, about opportunities offered through military and veteran membership organizations, and discover why Excelsior College is continually recognized for serving Military and Veteran Students by attending our upcoming webinar.

During this webinar, you will discover how to use benefits to achieve educational and career goals as an active-duty military personnel, military spouse, and veteran. You'll also hear from Excelsior College staff about career/networking opportunities, and how your military experience and previous college-level learning can be applied as credit so you can complete your degree sooner and take your career to the next level.

To learn more about Excelsior College and the benefits of being a partnership student, schedule a virtual meeting with your Partnership Specialist, Robert Lyons, by emailing - RLyons@excelsior.edu

For more information about Excelsior College and the partnership program, please contact the Partnership Admissions team (844-843-9296).

What Does a Career in Homeland Security Look Like?

The Department of Homeland Security (DHS) was established in 2002 following the 9/11 terrorist attacks. Today, the department employs nearly a quarter-million people in the United States across 22 different federal departments and agencies. Those looking for a career in homeland security can choose jobs that range from airport security and border patrol to cybersecurity and immigration services. [Read more](#)

Accelerate Your Career with MS in Management Degree

Business graduates face a competitive market where every job opening typically attracts hundreds of applicants. The situation motivates many undergraduates to continue with their studies and earn a Master of Science in Management. [Read more](#)

Is There a Nursing Shortage in Your State?

Nursing has always provided a solid career choice for people interested in a profession focused on helping others. But in the coming years, a nursing shortage in the United States will drive demand for nurses to new heights. [Read more](#)
