

100% TUITION-FREE

Certificate in Telehealth

Looking to add telehealth expertise to your resume? There's no better opportunity than now, because we're offering our fully online Certificate in Telehealth 100% tuition-free* for our January 9 term.

Why are we doing this? We know that the presence of telehealth is only going to grow larger as healthcare continues to evolve. We want as many healthcare professionals as possible to have the knowledge they need to execute these programs successfully, so more patients and providers can benefit.

Tuition
~~\$2,115~~

*Waived for
January term!*

Fees

Application fee: \$50

Program Conferral fee: \$100

Total Program Cost

\$150

What you can expect:

- Examine the different modes of telehealth:
 - Evolving technology
 - Complex legal and ethical implications
 - Best practices for bed side to web side healthcare delivery
- Take just three courses, each five-weeks long.
- Develop a firm understanding about how virtual care can improve your organization's cultural competency and diversity when working with patients.

Relevant to many healthcare professionals:

- C-suite Leaders
- Medical Doctors
- Nurses and Nurse Practitioners
- Virtual Health Directors
- Telehealth Coordinators
- Telehealth Project Managers
- Healthcare Administrators
