

## **IWU's Health Sciences Degree Turns Licensure/Certification into College Credit**

Do you know a paramedic, radiologic technologist, medical assistant, or other allied health professional who's dreaming of advancing their career in healthcare? IWU's new, post-clinical track for the **Bachelor of Science in Health Sciences** enables students to complete their bachelor's degree by counting their completed clinical hours toward college credit. IWU provides:

- **100% online courses**
- **6-week classes**
- **Program completion in 18-24 months**

This program can also serve as a stepping-stone toward an advanced path of study like healthcare administration, physician assistant, and more. For more information please complete the survey form: <https://www.surveymonkey.com/r/Connect2IWU-ST> and email Sara, IWU representative at [sara.thompson2@indwes.edu](mailto:sara.thompson2@indwes.edu)
