

Top Tips for Returning to School

Listen to the recording to learn more!

Ready to Get Started?

Join us for a webinar with National University's workforce education solutions team to learn more about tips for returning to school. Are you ready to earn your degree and want to learn more about the resources you need to continue your education and be successful? Would you like to learn more about our new programs and Google certifications available to NU students? Sign up today!

About National University

National University, a veteran-founded nonprofit, has been dedicated to meeting the needs of hard-working adults by providing accessible, affordable, achievable higher education opportunities since 1971. As San Diego's largest private nonprofit university, NU offers over 190 online and on-site programs and four-week classes designed to help students reach their goals while balancing busy lives. Since its founding, the NU community has grown to over 40,000 students and 220,000 alumni around the globe, many of whom serve in helping industries such as business, education, health care, cybersecurity, and law and criminal justice.

NU Supports the Whole You

Through our holistic, whole-human approach to education, we offer the academic, emotional, career, financial, and family support needed to reach your educational and professional goals.

Webinar topics will include:

- What's it like to be an online student
- Time management and tips for success
- Scholarships and financial aid support
- New programs and Google certifications available to NU students
